

APPLICATION FOR THE GREENTEC AWARDS 2018

The application period starts on August 7, 2017 and ends on October 10, 2017. Be one of the first and use your chance of an Early Bird Application. Being an “Early Bird” brings many advantages: You will receive a 50 percent discount on the administrative fee and you will be granted an exclusive online article¹ at NewsGreen.com in case you reach the TOP 10. Just apply until August 29, 2017 and secure yourself all benefits!

Please fill out all marked passages in English, as well as short description and title in German additionally. Fields marked with a * are mandatory. Please note that an administrative fee of EUR 200,00 plus VAT is charged for every application, except for the category Sustainable Development. (Under certain circumstances, exceptions may be made after personal consultation for example: athletes). If translation services are required we recommend our service partner Twigg’s Translations.**

Please attach three images of your project (horizontal, 300 dpi print quality, 5 MB max.) as well as a document containing further information (e.g. a scientific essay, numerical data, test results, an information brochure or the like). Please note that at least one image will be used for the publication on our website. Please consider that all data – especially the short description and the title – will be published in case of successful pre-selection.

Applications are only valid if complete. In order to successfully apply for the GreenTec Awards, the application form needs to be fully completed including all questions and declarations (in English, and partly in German). Also, three pictures as well as an additional document containing further information need to be attached.

Please send your completed application, pictures, and documents to application@greentec-awards.com.

Please note: On the basis of the information you provide in this form, we will create a onepager, which is necessary for the voting process of the Jury. You can find an example [here](#).

Terms & conditions of participation / declaration of consent

I hereby affirm that the details stated above are correct. Further I affirm that I have the eligibility to submit the application. In particular I assure that the submission is not in contrast to the rights of third parties. In the event of incorrect details and assurances or the generation of an incorrect impression in the application, the organizers are entitled to exclude the applicant as well as to deny acquired titles and awards (TOP 10, nominee and winner) at any time.

The competition is based on a multistage evaluation process (see homepage), which I hereby confirm by handing in the application. There is no right of appeal for the selection and evaluation process.

Incomplete application documents are not eligible for participation in the competition and can be disqualified. The guardians of the categories and two further independent entities in the application and evaluation process as well as the jury of the GreenTec Awards also reserve the right to exclude complete applications from the competition if one of the following is true: (1) a contribution to environmental protection is not probable or damage is expected respectively, or (2) the application is not suitable for encouraging environmental protection or not compatible with the intent of the GreenTec Awards or (3) the project described in the application violates the rights of third parties or otherwise violates prevailing law. The decision regarding an exclusion of an application is a discretionary decision by the experts responsible (guardians of the categories, WWF, TÜV Nord, and the jury respectively). In questionable cases regarding the competition process an independent arbitration board will be considered.

By handing in the application I hereby declare my consent that the information about the company, the website, the short and long description of the project and its material can be used without any restrictions and at no cost to the organizers for advertisement, documentation and reporting of the event. This right is only limited for the publication of data provided on the additional questions on page 4 and the information on the additional documents. The necessary rights of use for this are transferred to the organizer. The application carry an administrative fee of EUR 200,00 plus VAT. The applicant will receive an email in which he/she will be asked to pay the application fee.

The organizer reserves the right to award categories in advance, not every category will be awarded on stage during the gala event.

'Early Bird' applicants who have submitted their application between August 7, 2017 and August 29, 2017 will receive a 50 percent discount on the administrative fee. Furthermore, the GreenTec Awards will guarantee 'Early Bird' applicants a new article on the news portal NewsGreen. This article is to be self-written by the applicant, yet according to the specifications of NewsGreen. In case you reach the Top 10 you additionally receive two tickets to our gala on May 13, 2018 in Munich.

3 x 2 free tickets for the awards ceremony 2018 will be raffled among all applicants. All nominees (TOP 3) receive 2 tickets each.

I agree to the terms of participation.*

I agree to the collection and use of my data for the participation in the competition of the GreenTec Awards 2018 in accordance with the [privacy policy](#).*
